THE STATE OF TEXAS,
MILLS COUNTY.

Goldthwaite, Aug. 21st 1888

Hon. W. M. Hall Austin Tex
Austin Tex.

Dear Sir: Yours of the

7th (with reference to the field notes of Mills County) to hand. Now state that the line running N. 82° E. is excessive 1575 Yds. - If you will carefully examine the field notes of Mills County as laid down in the Act creating the County, you will see that there is no distance called for on the line running N. 82° E. - The distance called for, is 9 1/2 Miles N. 50° E. from the W. line of Comanche County, which would be at right angle with said W. line. The line running N. 82° E. is 10 miles 625 Yds. from the point where it crosses the W. line of Comanche County to that point which is 9 1/2 Miles N. 50° E. from the W. line of Comanche County. -

I worked in connection with the Surveyors of Brown Comanche & Harrison Counties, (each successively) in running the lines between Mills & those Counties & they were, each, satisfied that the work was correct.

The surveyor of Sampasas County refused to work with me & I saw the line between Mills & Sampasas

CLAYTON AND COMPANY, CALVERTON.

J. B. HEAD, County Judge.
PHIL. H. CLEMENTS, County Clerk.
C. RAWLS, District Clerk.

UVALDE BURNS, County Attorney.
G. W. CUNNINGHAM, Sheriff and Collector.
JAMES EWING, Treasurer.

W. LIVINGSTON, Surveyor.
J. H. MOHLER, Assessor.
E. S. KIRBY, Inspector.

THE STATE OF TEXAS,
MILLS COUNTY.

Goldthwaite, 188

without the assistance of the Surveyor of Lampasas County. please examine the plat furnished and the Reading of the act creating Mills County and you will see at once that I am correct Respectfully
W. Livingston c s m c
