So far as I have talked with parties interested they prefer a certified Copy of Plat and Field Notes from your department as approved, instead of a Copy by myself. I wrote from SW corner of Cottle that I would charge \$10⁰⁰ for ^{for 30 miles} Posts rock marks pile's monuments and marking it is not enough and I will charge \$30⁰⁰ for 30 miles or one dollar per mile which has been agreed to by Judge Campbell as reasonable \$3⁰⁰/₁₀₀ per mile for Base Line and County Boundary \$11⁰⁰ for marking and \$10⁰⁰ for Plat and Field Notes furnished your department Certified Copies as per charges from your Department, is agreed upon by Judge Campbell write me at Epworth, Note if Line is running to far South.
