

1
State of Texas) Regular May Term 1897
County of Potter) of the County Court of Potter
County Texas

Notice

To the following County Judges and their
County Courts:

To L O Drumble County Judge
of Moore County Texas and his successors in Office

To L O Lair County Judge Randall
County Texas and his successors in Office

To J J Ivers County Judge of
Carson County Texas and his successors in Office

To Chas A Whitman County Judge
Oldham County Texas and his successors in Office

It appearing to the County Court of
Potter County Texas that the boundary lines
of Potter County Texas are not sufficiently well
defined, established and designated:

It is Therefore ordered by the
Court on the 22nd day of May 1897 at the
regular Term of said Court in accordance
with article 799 to 808 inclusive of the revised
Statute of 1895 of the State of Texas that
the following boundary lines of Potter County
Texas be established, surveyed, defined and
designated according to Law.

The North South East & West
lines of said County and that the North East
North West South West and South East

corners of said county be established and marked in accordance with and conform to the Revised Statutes of 1895 and the Mans and Monuments shall be placed marked and designated according to Law

The Court hereby appoints W D Twichell an experienced surveyor to make said surveys and to do said work who shall receive three dollars per mile run and lines lawfully surveyed and designated between the Counties of Potter and Moore and Potter and Randall and Potter and Odham and Potter and Carson Counties.

Said Surveyor will begin on the 20th day of August 1897 to survey establish and designate the boundary line between Potter and Carson County in order to be more certain and accurate in making said surveys and locating said N E corner of Potter County said surveyor will on the 16th day of June A D 1897 begin a survey at the N E corner of Lipscomb County Texas thence West 90 miles to the N E corner of Sherman County Texas thence South 60 miles to the N E corner of Potter County

The said W D Twichell Surveyor will on the 10th day of August 1897 begin and survey and designate the North boundary line of Potter County Texas between Potter and Moore County beginning at the N E corner of Potter County thence ^{thirty miles} N to the North West corner of Potter

The said W D Twichell Surveyor will on the _____ day of _____ 1897 begin and

Potter Co. Bdry. Line #1
