G. A. Truitt Esqr.

Special Sur. Rockwall Co.)

Gentlemen:

I have your reports of disagreement as to the boundary line between your counties and so far as I can determine the law and facts from the information in my possession you should begin your line at the S. E. corner of Rockwall County being in the S. E. line of Elizabeth Graves about 1400 varas N. 45° E. from her South corner, thence West to a point in the John Scott Survey about 680 vrs. West of his East line and 350 vrs. South of his North line, this line is marked on the map of Rockwall County which I herewith enclose and which line you are hereby instructed to run and mark.

Respectfully

M. C. Walsh
