 G. A. Trinity Esq  
 Special Sur. Rockwall Co

I have  
 your reports of disagreement as to the  
 boundary line between your Counties  
 and so far as I can determine the  
 law and facts from the information  
 in my possession, you should begin  
 your line at the S. E. corner of Rockwall  
 Co., being in the S. E. line of Elizabeth Grant  
 about 1400 or 45 E from her South Cor-  
 ner: Thence West to a point in the John  
 Scott Survey, about 680 or West of his  
 East line and 350 South of his line

This line is marked on the map of  
 Rockwall Co., which I herewith en-  
 close and which line you are  
 hereby instructed to run and mark

Respectfully,  
 W. C. Marsh
