—CLERK—
(Rockwall County,)
ROCKWALL, - TEXAS

No 78
78

Hon. R. M. Hall

Clerk. Gal. R.

The Southline of Rockwall Co. has
been established by P. M. Lewis, approved by
Commissioner Welch — The following
notes are only a summary of the same
by Smith, which was rejected by B. W. Taylor.

Austin

A. R. HARTMAN,

County Judge, Rockwall County.

Rockwall, Texas, Mar 14 1890

How Hall
Commiss. Su. Land Office.
Austin Texas.

My Dear Sir:

Our County Court Clerk, this day sends you, as required by a Certified Copy of Report & plat of County line between Rockwall and Kaufman Counties, as made by Special Survey Simpson.

I also send plat and letter of instructions from Mr Walsh your predecessor, to Lewis & Smith, from which you will see, that the new survey of Mr Simpson followed the exact line indicated by Mr Walsh.

I hope this report will be perfectly satisfactory, and that you will put a quietus for ever upon the vexed and annoying question, and that you will kindly inform me by letter of your action thereon.

Rockwall Co. Bary, Line 5

A. R. HARTMAN,

County Judge, Rockwall County.

Rockwall, Texas, 189.....

A Certified Copy of our order was sent to the Commissioner's Court of Kaufman County, as directed by law, but Kaufman County ignored it altogether and did not send a surveyor.

Thanking you for your prompt instructions, and earnestly hoping that you may be your own successor, in the "Public" office, and congratulating you, in the most warm manner in which you did up. Atty Gen. Hagg,
I am as ever faithfully
yours

A. R. Hartman
Co Judge of Rockwall
County, Texas,

State of Texas }
County of Rockwall } To the Honorable Com-
missioners Court of
Rockwall County Tex

I submit to you the following report:
After being appointed and qualified
as Special Surveyor to relocate the line
between Rockwall and Kaufman
counties it being the south line of
Rockwall County I went as in-
structed the 17th day of February
A.D. 1890 to the South East corner of
said Rockwall County and not
meeting a Special Surveyor from
Kaufman County I proceeded
as follows to survey said County
line

Post Beginning at the South East corner
of Rockwall County at a post on South
East line of E Graves survey of 26 Acres
to $50^{\circ} 14' 00''$ vs $45^{\circ} E$ of the South corner
of said E. Graves Survey from which
a post oak about 20 ins in dia
bears $26^{\circ} 45' E$ $402\frac{1}{2}$ vs dist another
post oak about 22 ins in dia bears
 $27^{\circ} 30' E$ $393\frac{1}{4}$ vs dist

1st Departure

Thence west cutting 174 acres off of
