

1 I, John Mc Nicol, County Surveyor of Sutton
2 do hereby certify that in company with the
3 ^{County} Surveyors of Kimble and Edwards Counties
4 Texas I ran a connection line from the
5 N.W. corner of Menard County to the South
6 west corner of same & N.W. corner of Kimble
7 Co & N.E. corner of Sutton. Thence South to a
8 point near the position of the S.W. corner of
9 Kimble County in compliance with an
10 order of the Commissioners Court of Sutton
11 County, Texas.

12 That we then separated and agreed to
13 meet again at the ranch of J. J. Moss near
14 the N.E. corner of Val Verde on a certain day
15 in October 1893 to run the boundary line between
16 Edwards and Sutton Counties and establish
17 the S.W. corner of Kimble & S.E. corner of
18 Sutton, and that Jos. Buswell County
19 Surveyor of Edwards met me as agreed
20 but J. W. Hope County Surveyor ^{of Kimble Co} did not.

21 As Mr Buswell showed me a letter
22 from Mr Hope stating that he would not
23 be present, we proceeded to do the work in his
24 absence. Having proceeded with our work
25 to a certain point, I again notified Mr
26 Hope that we would be at the N.W. corner
27 of Kerr County on the 30th October 1893 to finish
28 the work aforesaid, but he again failed to
29 meet us at the time and place appointed
30 and we finished the work in his absence.
31 Given under my hand this 10th day of
32 February 1894 A. D.

John Mc Nicol
County Surveyor Sutton Co. Texas.
