Judge Oscar C. Dancy  
Brownsville, Texas

Dear Judge:

Complying with request in your letter of June 14, 1950, enclosing two road maps of Cameron County, I have indicated the approximate geographic position of the center of said County on one of said maps which I am herewith returning, and will retain the other for the Land Office files.

The point indicated as the center of the County should be approximately 16.5 miles N 3° 50' E from the center of Brownsville, as Brownsville is shown on the official map of said County now in use by the General Land Office.

I trust this will be satisfactory for your purpose.

Sincerely yours,

BASCOM GILES, COMMISSIONER  
OF THE GENERAL LAND OFFICE
