Dear Sir

In answer to yours of the 17th inst. Will say that upon an examination of the records of the Commissioners Court of Kerr County Texas. for February 1886. That a Survey of the Kerr and Kendal Co Boundary line had been made by the Surveyors of Kerr and Kendal Counties satisfactory to this County and Kendal, and adopted by each County, at said term of Court. As I could not find the originals I suppose they had been sent up to the land Office. If such is not the case I will have a Certified Copy of same sent up if you will notify me that it has not been sent up

Very Respectfully
