Count 64802

The State of Texas
County of Kerr In Commissioners Court.
February 8th 1886.

The Report of a Survey of the Boundary line between the Counties of Kendall and Kerr with accompanying plat or map made under order of this court of date December 21st 1885 was here submitted and in open court approved and it is ordered by the court that the said Report and field notes be entered of record but the plat need not be so entered.

The State of Texas
County of Kerr Field notes of a survey of the boundary line between the Counties of Kerr and Kendall made under an order of the County Courts of said Counties and in accordance with the provisions of an act of the Legislature of the State of Texas, establishing and prescribing the manner of ascertaining the boundaries of Counties. Approved April 22nd A.D. 1879.

I J. H. Davis Surveyor for Kerr, and
O. W. Grady Surveyor for Kendall County, do
hereby certify that the above and foregoing
Survey was actually made on the ground accord-
ing to law, and that the limits, boundaries
and corners with the marks natural and
artificial are truly described in the foregoing
plat and field notes.

Given under my hand at Kerrville this the 30th day
of January AD 1886

J. H. Davis

Given under my hand at Boerne this the 1st day
of February AD 1886

O. W. Grady

Surveyor for Kendall County

Examined and approved in open court Feb.
8th 1886

R. H. Storms County Judge
Kerr County, Texas.

The State of Texas

County of Kerr

I, H. M. Fair and County Clerk
in and for said county of Kerr do hereby certify
that the foregoing four pages and 26 lines con-
tain a true copy of the Surveyors Report and
and the action of the commissioners court
thereon in the matter of the boundary line be-
tween the counties of Kerr and Kendall as re-
corded in the minutes of the proceedings of said

9

County Line between
Kerr & Kendall Counties

Filed July 31st 93.

Received same date.

Not approved by Kendall Co.

Examined, Connections to
Surveys ^{Pin} this which ^{has} are
not in compliance with
law. Requested to extend
line north to south line
of Gillespie Co. & to connect
this line to survey corners
as far south as the river

This line seems to be 1177
Varas East of line run in
1880. at N.E. cor of Survey 1. H
& O B R R Co. still both claim
to be 1 mi West of Comfort as
statute requires

*These field notes were incorrect - the begin-
ning point is not on the recognized new
south line of Gillespie Co. - but on the old
line established by Reischer - the line passes
a point on the North bank of Guadalupe
about 1900 m from the public square.*

instead of 1900 m.

C. W. Prusler

According to Commissioners and
Attorney General's Decision this
line is otherwise correct.

Account in Book D pages 261 to 264 inclusive
at the Survey from 1893 of said count.
The numbers of said count read at
this in Smith's this July 27th
1893

H. M. Jones
Surveyor of Kerr & Kendall Counties
