Don't think any answer necessary

County Judge

KERR COUNTY.

Kerrville, Texas, Oct 19th 1893

1691

Hon W L McLaughy Land Commissioner Austin Tex

Dear Sir In regard to the Kendal and Hers
Co lines, we have made arrangement with
Kendal Co to have the lines adjusted —
or corrected: as the present line as recognized
by both Cos crosses the river about one
mile from the main Plaza in Comfort —
The Edward's Co line is correct — The
Preemption is wrong. Will report as soon
as work is done

Respectfully

R. H. Storms Co Judge
