Dear Mr. McDowell:

Your Mr. Hunter E. Akard visited the Land Office yesterday and presented us with microfilms of all of the original field books of the T&P Railway Company Surveys in West Texas now in your possession. You have rendered the State a real service by the presentation of these microfilms and I wish to express my deepest appreciation for this service. If at any time this office may be of service to you, I want you to know that we will be happy to cooperate to the fullest extent possible.

Again thanking you, I am--

Sincerely yours,
