IRVING H. WEBB TEXAS SURVEYORS COLLECTION, 1836-1976  
AR 83-248  
Checklist

Historical records relating to land surveys in Texas collected by Irving H. Webb, President of the Texas Surveyors Association, 1967-1968, and member of the historical committee. The collection contains notes, research materials, legal documents, and photographs in addition to Irving H. Webb's survey reports relating to oil exploration; Texas Surveyors Association publications and books on surveying. In 1964, the historical committee published a book, One League to Each Wind, a collection of biographies and stories relating to pioneer surveyors and surveying. The collection also includes information regarding the Technicians Short Course, sponsored by TSA, designed to refine the skills of the surveyor. Because the collection has been checklisted only, researchers should review entire list.
