July 2nd 1912

Mr E Von Rosenberg,

Austin, Texas.

Dear Sir;

A good while ago I was talking to you about your coming to Wichita Co. and testifying in a land suit, in which Mr Waggoner was interested.

This case comes up at Wichita Falls, next Monday, the 8th and I wish you would be in Wichita Falls on that date and have with you such records, or papers, from the General Land office as would be necessary to establish the connecting lines between the Simpson Holloway sur No. 3 G S & S F Ry; Sec. 147 Blk.14, of the H & T C Ry Co. surveys and Sec. 148 Blk.14, of the H & T C Ry Co. surveys and Secs 13 & 14 H T & B Ry Co. surveys, all in Wichita Co. These lands lies just S W of the town of Electra.

You can leave Austin on the noon train Sunday and arrive in Wichita Falls Sunday night.

Kindly wire me, at my expense on receipt of this so that I may know what to depend on and I will pay you for your time and trouble in the matter.

Thanking you in advance, I am.

Very truly,

R. L. Moore

Will be in Wichita Falls on Monday  
7/5/1912
