Commr. Genl Land Office.

Sir

Please instruct me as to your interpretation of Sec 8 - page 140 in Appendix to the Revised Statutes.

Do you understand by it, that the Surveyor is to act as clerk or Cashier, as the case may be for the Land office - in receiving these notes - or the Money, if the purchaser, pre-fer? - If he is - do you supply him with forms & postage stamps? - It is an office that will starve any man, at best, if he sticks to the fee Bill -
