I, Robert L. Hall, Jr., Registered Professional Land Surveyor No. 1610 and COUNTY SURVEYOR of Chambers County, Texas, do hereby certify that this plat represents the results of a survey made by me on the ground during June, 2003, in accordance with Section 33.136, Natural Resources Code, for the purpose of evidencing the location of the shoreline in the area depicted in this survey as that shoreline existed before commencement of erosion response activity, as required by Chapter 33, Natural Resources Code. The line depicted on this survey fixes the shoreline for the purpose of locating a shoreline boundary, subject to the movement landward as provided by Section 33.136, Natural Resources Code.

WITNESS my hand and seal at Anahuac, Texas, this the 26th.. day of June, A. D., 2003.

Dear Ben,

Enclosed is one mylar of the plat showing the boundary of Galveston Bay at Smith Point Texas. The shoreline along this 27.372 acre tract of land is the only area that Ben Nelson proposes to try to impede the erosion along the shore line. He is working with the Corps of Engineers on this project.

Gary McMahan is with the Land Office in La Porte, Texas. His number is 281-471-0391 extension 113. He is working with Ben Nelson and the Corps.

If you need additional information or I need to add an item to the plat, please let me know.

Thanks,

Bobby
