L30	N 44°51'55" W	11.43'	4.115 VS				

NOTE:  
1) All coordinates and bearings shown hereon are grid values referenced to the Texas Coordinate System of 1983, South Central Zone and NGS Monument "HGSCD 57". All distances shown hereon are surface distances unless noted and may be converted to grid distances by multiplying by a scale factor of 0.999869326.

NOTICE:  
This survey was performed in accordance with Section 33.136, Natural Resources Code, for the purpose of evidencing the location of the shoreline in the area depicted in this survey as that shoreline existed before commencement of erosion response activity, as required by Chapter 33, Natural Resources Code. The meander line depicted on this survey fixes the shoreline for the purpose of locating a shoreline boundary, subject to movement landward as provided by Section 33.136, Natural Resources Code.

I, William E. Merten, Licensed State Land Surveyor in and for the State of Texas, do hereby certify that on October 12, 2005, I have located the natural contour line of Mean High Water on the ground, according to law and with the personnel stated, and that the meanders of said contour line are true and correct as shown hereon. To the best of my knowledge, no artificial fill or any development, other than as shown hereon, that would cause alteration to said contour line has occurred within the area surveyed. Reference is hereby made to the accompanying report by me of the same date.

Field Personnel:  
Michael Duty  
Wendel Bickett, Jr.  
  
William E. Merten  
Licensed State Land Surveyor
