SPLITS

Doug Howard:

Ben Thomson brought this to
me today.

It is a list that Lorene Ramsey
kept of the split-outs.

She left it to Linda Fisher;
and she left it to LaNell Aston;
and she gave it to Ben today.

He suggested that it be
filed as a Misc. File.

If you assign a number, I will
label the pages.

Thanks

Joan

DATE: 10-17-85

TO: Lorene Ramsey

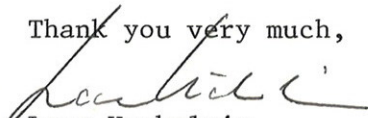

FROM: Lore Koehnlein (Now Asset Management, 5-0628)

SUBJECT: New School File Numbers

These are the most recent school file numbers issued. It is possible that I have already sent you a copy of this page, but it will not have included the last several files.

I assume we will continue to use the same procedure in setting up new school files, and I will continue to send you the listing of new numbers used. Should there be any procedural changes I am not aware of, please inform me so that I can adjust accordingly.

Thank you very much,
