 SEE NOTE 3

NOTICE: This survey was performed in accordance with Section 33.136, Natural Resources Code, for the purpose of evidencing the location of the shoreline in the area depicted in this survey as that shoreline existed before the commencement of erosion response activity, as required by Chapter 33, Natural Resources Code. The line depicted on this survey fixes the shoreline for the purpose of locating a shoreline boundary, subject to movement landward as provided by Section 33.136, Natural Resources Code.

I, Michael W. Chandler, Registered Professional Land Surveyor No. 5292 and County Surveyor of Chambers County, Texas, do hereby certify that this plat represents the results of a survey made on the ground under my supervision during March 2013, is correct and in accordance with Section 21.042, according to law, for the purpose of evidencing the location of the shoreline in the area depicted in this survey.

Project: McCollum Park Shoreline Protection

Project No: CL20130002 (GLO)

Project Manager: Mollie Powell (GLO-Upper Coast Regional Manager)

Surveyor: Michael W. Chandler, Registered Professional Land Surveyor
County Surveyor, Brazoria County, Texas

Description: A Coastal Boundary Survey, dated March 2013, by Michael W. Chandler, Registered Professional Land Surveyor and duly elected County Surveyor for Chambers County, delineating the line of Mean Higher High Water along the western shore of Trinity Bay Submerged Land Tracts 10-11E and 14-15E, same line, being a portion of the littoral boundary of the Solomon Barrow Survey, Abstract 3. The survey is in support of cordgrass planting and rip-rap placement along the shore, authorized under Texas General Land Office lease No. CL20130002 and situated at McCollum Park (coordinates N 29° 44' 42", W 94° 49' 40", WGS84).

A Coastal Boundary Survey for the above-referenced project has been reviewed and accepted; upon completion of public notice requirements, the survey will be filed in the Texas General Land Office, Archives and Records, in accordance with provisions of the *Texas Natural Resources Code*, Chapter 33.136.

FIELD NOTES of the Mean Higher High Water boundary along the shore of the Solomon Barrow Survey, Abstract Number 3, same being the Western shoreline of the State of Texas, submerged land tracts Trinity Bay 10-11E and 14-15E, Chambers County, Texas. This boundary is more particularly described by metes and bounds as follows, to-wit:

NOTE: ALL BEARINGS ARE GRID BEARINGS AND ALL COORDINATES REFER TO THE TEXAS STATE PLANE COORDINATE SYSTEM, SOUTH CENTRAL ZONE AS DEFINED BY ARTICLE 21.071 OF THE NATURAL RESOURCES CODE OF THE STATE OF TEXAS, 1983 DATUM. ALL DISTANCES ARE SURFACE DISTANCES. SCALE FACTOR = 0.9998888. THIS SURVEY WAS PERFORMED IN ACCORDANCE WITH METHODOLOGY APPROVED BY THE TEXAS GENERAL LAND OFFICE. REFERENCE IS MADE TO PLAT OF EVEN DATE ACCOMPANYING THIS METES AND BOUNDS DESCRIPTION.

BEGINNING at a point of Mean Higher High Water situated in the East line of said Solomon Barrow Survey, and the western shoreline of said submerged tract Trinity Bay 10-11E. This point has a State Plane Coordinate of Y=13,841,769.92 feet, X=3,291,906.07 feet. From this point NGS station E 1201 bears South 63°17'05" West a distance of 54773.65 feet.

THENCE in a Northeasterly direction along the Mean Higher High Water boundary, the East line of said Barrow Survey and the Western shoreline of said Trinity Bay tracts 10-11E and 14-15E the following courses:

North 40°52'12" East a distance of 93.54 feet (33.67 varas);
North 39°54'12" East a distance of 97.45 feet (35.08 varas);
North 41°37'43" East a distance of 90.49 feet (32.57 varas);
North 32°01'59" East a distance of 97.79 feet (35.20 varas);
North 35°56'35" East a distance of 88.76 feet (31.95 varas);
North 46°55'28" East a distance of 93.21 feet (33.55 varas);
North 50°45'50" East a distance of 95.68 feet (34.44 varas);
North 43°21'05" East a distance of 91.83 feet (33.05 varas);

Notice of Approval of Coastal Boundary Survey

Pursuant to §33.136 of the Texas Natural Resources Code, notice is hereby given that Jerry Patterson, Commissioner of the General Land Office, approved a coastal boundary survey described as follows:

A Coastal Boundary Survey, dated March 2013, by Michael W. Chandler, Registered Professional Land Surveyor and duly elected County Surveyor for Chambers County, delineating the line of Mean Higher High Water along the western shore of Trinity Bay Submerged Land Tracts 10-11E and 14-15E, same line, being a portion of the littoral boundary of the Solomon Barrow Survey, Abstract 3. The survey is in support of cordgrass planting and rip-rap placement along the shore, authorized under Texas General Land Office lease No. CL20130002 and situated at McCollum Park (coordinates N 29° 44' 42", W 94° 49' 40", WGS84).

This survey is intended to provide pre-project baseline information related to an erosion response activity on coastal public lands. An owner of uplands adjoining the project area is entitled to continue to exercise littoral rights possessed prior to the commencement of the erosion response activity, but may not claim any additional land as a result of accretion, reliction, or avulsion resulting from the erosion response activity.

For a copy of this survey or more information on this matter, contact Bill O'Hara, Director of the Survey Division, Texas General Land Office, by phone at (512) 463-5212, email bill.o'hara@glo.texas.gov, or fax (512) 463-5223.

Texas Health and Human Services Commission

Notice of Public Hearing on Proposed Medicaid Payment Rates

Hearing. The Texas Health and Human Services Commission (HHSC) will conduct a public hearing on October 17, 2014, at 2:00 p.m. to receive public comment on proposed rates for hospice routine home, continuous home, inpatient respite, and general inpatient care. The Medicaid hospice program is operated by the Texas Department of Aging and Disability Services (DADS).

The public hearing will be held in compliance with Texas Human Resources Code §32.0282, Government Code §531.021, and 1 Texas Administrative Code (TAC) §355.105(g), which require public notice and hearings on proposed Medicaid reimbursements. The public hearing

will be held in the Health and Human Services Commission Public Hearing Room, Brown Healty Building, located at 4900 North Lamar, Austin, Texas. Entry is through Security at the main entrance of the building, which faces Lamar Boulevard.

Proposal. The payment rates for hospice routine home, continuous home, inpatient respite, and general inpatient care are proposed to be effective October 1, 2014.

Methodology and Justification. The hospice reimbursement methodology is located at the Code of Federal Regulations, Title 42, Part 418, Subpart G.

Briefing Package. A briefing package describing the proposed payment rates will be available at <http://www.hhsc.state.tx.us/rad/rate-packets.shtml> on or after October 3, 2014. Interested parties also may obtain a copy of the briefing package before the hearing by contacting Michelle Mikulencak by telephone at (512) 730-7401; by fax at (512) 730-7475; or by e-mail to RAD-LTSS@hhsc.state.tx.us. The briefing package will also be available at the public hearing.

Written Comments. Written comments regarding the proposed payment rates may be submitted in lieu of, or in addition to, oral testimony until 5:00 p.m. the day of the hearing. Written comments may be sent by U.S. mail to the Texas Health and Human Services Commission, Rate Analysis Department, Mail Code H-400, P.O. Box 149030, Austin, Texas 78714-9030; by fax to Rate Analysis at (512) 730-7475; or by e-mail to RAD-LTSS@hhsc.state.tx.us. In addition, written comments may be sent by overnight mail or hand delivered to the Texas Health and Human Services Commission, Rate Analysis Department, Mail Code H-400, 4900 North Lamar, Austin, Texas 78751-2316.

Persons requiring Americans with Disabilities Act (ADA) accommodation or auxiliary aids or services should contact Rate Analysis at (512) 730-7401 at least 72 hours before the hearing so appropriate arrangements can be made.

Jack Stick
Chief Counsel
Texas Health and Human Services Commission
Filed: September 12, 2014

Public Notice

The Texas Health and Human Services Commission announces its intent to submit transmittal number 14-030 to the Texas State Plan for Medical Assistance, under Title XIX of the Social Security Act.

The purpose of this amendment is to update the state plan's provisions regarding the prohibition against reassignment of provider claims by adding an exception for substitute physician arrangements. The amendment would clarify that no payment under the plan for any care or service provided to an individual shall be made to anyone other than the person providing such care or service, except in cases where a substitute physician sees a billing physician's patients for 14 continuous days or less under an informal reciprocal arrangement or for up to 90 continuous days under a formal locum tenens arrangement. The proposed amendment is effective July 14, 2014.

The proposed amendment is estimated to have no fiscal impact. The clarification of the State's substitute physician arrangements would align the state plan with the State's program rules without changing Medicaid fees, costs, or utilization.

To obtain copies of the proposed amendment, interested parties may contact Marcus Denton, State Plan Coordinator, by mail at the Health and Human Services Commission, P.O. Box 13247, Mail Code H-100,
