Baggage in excess of these weights will be charged for in accordance with tariff furnished Agents. Any piece of baggage weighing more than 250 lbs. will not be received as baggage, but must be forwarded by express or freight. Baggage received under check and not removed within 24 hours after arrival at destination will be subject to storage charge. Baggage is held at owner's risk from the time of its arrival at destination.

BICYCLES, ETC.—Bicycles, Tricycles and Baby Cabs will be charged for on same basis as fifty pounds of excess baggage. No free allowance. The minimum charge shall be 25 cents.

CORPSES will not be checked. The rate for the transportation of a corpse, regardless of the age of the deceased, will be one regular first-class fare when accompanied by some person in charge who must hold transportation. The ticket for the body will be stamped (or written) "corpse" across the face. One hundred and fifty pounds of baggage is allowed on each corpse ticket.

WAY FREIGHT TRAINS (OR MIXED TRAINS), as the name would indicate, do not afford the comforts of regular passenger trains, as they carry both passengers and freight. They are run, however, as nearly as possible on the schedule time but are liable to be delayed. Baggage is carried only on such mixed trains as are provided with baggage cars. In the absence of baggage car it will be accepted for shipment on the next following passenger train, or must be shipped by freight.

DOGS, GUNS AND GAME, in a reasonable amount, will be carried free of charge, for sportsmen, in baggage cars. Dogs must be crated or securely tied before presenting to baggage men. These things are carried as an accommodation at the owner's risk.

FREE RECLINING CHAIR CARS.—These cars are fitted with lavatories and smoking rooms; a uniformed porter in attendance; no additional charge is made for seat or service.

DEPOT PASSENGER AGENTS.—The M. K. & T. passenger agents at UNION STATION, ST. LOUIS, Mr. W. C. Knowles, and at UNION DEPOT, KANSAS CITY, Mr. Howard Bryning, are on hand on the arrival and departure of M. K. & T. trains. They are specially appointed to look after the comfort of passengers ticketed via the M. K. & T. R'y; will be glad particularly to assist ladies and children, attend to their baggage, get them seats in chair cars, or assist them in getting tickets and sleeping car accommodations. They will be pleased to meet any designated train of M. K. & T. or connecting lines when advised in advance and lend assistance to unexperienced travelers.
