All counties, towns, cities, villages, etc., are indexed in the following manner:

(See map of Kansas.)

	Pop. '90.
<b>Burlington</b> , Coffey, O-36, (Rys 5- <i>ac</i> , 31-b) * † ±	2239
East Wolf, Russell, <i>mail</i> Lucas.	
Illion, Rawlins, E-6.	26

Burlington being in black type indicates that it is the county seat of Coffey county; O-36 shows where it can be found on the map (see example below); (Rys 5-*ac*, 31-*b*), that it is a station upon each of these railways, 5 and 31, and branches *ac* and *b*, (see list of railways, which are consecutively numbered and alphabetically arranged); \*, that it is a money-order post office; †, that it is a telegraph station; ‡ ± refer to the express companies as shown above; 2239 is the population given according to the latest official census.

East Wolf is in Russell county, and mail for this place should be sent to Lucas post office.

The letters and figures following names (like O-36 above) refer to that point on the map at which lines drawn from marginal figures top and bottom, and letters upon either side of map, would cross each other at right angles.

For example, to find "New York City, D-5;" let the diagram below represent the map. New York is seen near the crossing of lines D—D and 5—5.

# HONDURAS:

## THE LAND OF GREAT DEPTHS.

BY CECIL CHARLES.

Cloth, with Map and Portraits, \$1.50.

This book is a true picture of life in a little-known region, and will answer scores of questions that are of more than ordinary interest, now that the Pan-American reciprocity plan is being so widely discussed. The author writes in a style that will carry even the casual reader pleasantly through a large amount of solid information, giving fresh details as to the climate, topography, soil, natural productions, and opportunities offered by Honduras, as well as a mass of statistics of value to the business man.

### PRESS NOTICES.

- "One of the best books of its species."—*Boston Herald.*
- "A valuable addition to any library."—*Philadelphia News.*
- "A bright, chatty, sprightly volume. . . . Imparts much valuable information."—*Chicago Times.*

# THE REPUBLIC OF COSTA RICA.

By JOAQUIN BERNARDO CALVO.

Translated from the Spanish and Edited by L. de T.

With Maps and Numerous Illustrations, \$2.00.

### PRESS NOTICES.

- "From the preface to this volume, we learn that its author, Señor Joaquin Bernardo Calvo, wrote it with the consent and aid of his Government, and that it is the latest and best account the Costaricans themselves have had of their history and development. . . . It is impossible to read this book, for instance, without recognizing the fact that Costa Rica has undeveloped possibilities equal to the making of millionaires."—*Times*, Boston, Mass.
- "Dr. Calvo's work enjoys high local reputation, having been adopted by the Government of Costa Rica as a reference and guide book. It is arranged compactly, in the form of paragraphic notes, and treats briefly but clearly of the resources, industries, institutions, flora, fauna, geology, etc., of the Republic. . . . The volume contains photographs of distinguished Costaricans, and views of picturesque scenery, scenes of cultivation and public buildings. . . . Dr. Calvo's book will be found of great value to capitalists, intending investors and projectors, travelers, and such as are in search of new countries to visit."—*Tribune*, New York.
- "This is a valuable addition to the scant library of books in the English tongue which treat at length of our neighbor Republic in Central America."—*Argonaut*, San Francisco, Cal.
- "Anyone intending to visit the country, or having commercial relations with it, will find in the volume a good supply of statistical, political, and general information."—*Journal*, Chicago.
