Explanation of Abbreviations and Reference Marks

N—North. S—South. E—East. W—West. m—Miles. Ry or Rys—Railway or Railways.

County Seats in black type.

* Money Order Post Office.

† Telegraph Station.

‡ American Express.

☉ Mexican National Express.

+ Pacific Express.

□ United States Express.

± Wells, Fargo & Co.'s Express.

All counties, towns, cities, villages, etc., are indexed in the following manner:

(See map of Alabama.)

	Pop. 1900
Anniston, Calhoun, E-10, (Rys 37-7,	
74-a, g) * † ×	9695
Anro, Lamar, mail Kennedy.	
Aquilla, Choctaw, J-2	28

Anniston being in black type indicates that it is the county seat of Calhoun County; E-10 shows where it can be found on the map (see example below); (Rys 37-7, 74-a, g), that it is a station upon each of these railways, 37 and 74, and branches *r*, *a*, and *g* (see list of railways, which are consecutively numbered and alphabetically arranged); *, that it is, a money-order post office; †, that it is a telegraph station; ×, refers to the express company as shown above; 9695 is the population given according to the 1900 official census.

Anro is in Lamar County, and mail for this place should be sent to Kennedy post office.

The letters and figures following names (like E-10 above) refer to that point on the map at which lines drawn from marginal figures top and bottom, and letters upon either side of map, would cross each other at right angles.

For example, to find "New York City, D-5;" let the diagram below represent the map. New York is seen near the crossing of lines D—D and 5—5.

“THE FOUR-TRACK SERIES”

This is the title of a series of books of travel and education issued by the Passenger Department of the.....

New York Central & Hudson River Railroad.

These small books are filled with information regarding the best modes of travel and the education that can best be obtained by travel, the whole world now agreeing with Lord Beaconsfield that “Travel is the great source of true wisdom.”

They relate specifically to the great resorts of America—to trips to the islands of the sea and around the world. Giving a mass of useful information regarding the time required for a journey, its cost, and other data not easily obtained elsewhere.

They also contain numerous illustrations and new and accurate maps of the country described.

Seven of the most notable numbers of the “Four-Track Series” are:

- No. 1—The Luxury of Modern Railway Travel
- No. 3—America's Summer Resorts
- No. 5—America's Winter Resorts
- No. 20—The Adirondack Mountains and How to Reach Them
- No. 21—Round the World via Niagara Falls
- No. 25—A Message to Garcia
- No. 26—American Railroads

An Illustrated Catalogue, a booklet of 40 pages, 4 x 8, giving a synopsis of each of the 30 books now comprising the “Four-Track Series,” as well as a small half-tone reproduction of each of eight beautiful etchings of scenery along the lines, or any of the above-mentioned books, will be sent free, postpaid, to any address in the world, on receipt of a postage stamp of any country on the globe, by George H. Daniels, General Passenger Agent, Grand Central Station, New York.
