ONLY A COMMON SCHOOL
EDUCATION REQUIRED.

GOVERNMENT POSITIONS

50,830 Appointments

were made to Civil Service places during the past year. This was **10,407** more than for any previous year. These appointments will probably continue to increase. No influence of any kind required. It is necessary to pass an examination. These are excellent positions for young people. Thousands whom we have instructed **BY MAIL** for the examinations are now in the Government Service at salaries from \$840 to \$1,400 per year.

Our Civil Service Catalogue contains letters from hundreds of persons in the Government Service who state that they **OWE THEIR POSITIONS** to our course of training; also contains questions recently used by the Government. These positions are nearly all secured by those in the humbler walks of life. **YOUNG PEOPLE** employed on the farms, in the factories, in the mines, or as bookkeepers, school teachers, or clerks are the ones who secure these **FINE POSITIONS** with Uncle Sam.

If you desire to better your present position it will pay you to write for our Civil Service Catalogue and read how hundreds of others have succeeded. It also contains places and dates for holding examinations, salaries paid, chances for appointment to the various positions, and questions recently used by the Civil Service Commission. It will only cost you a postal card. We also have the following departments which give the most thorough courses ever taught by the correspondence method:

Law, Normal, Stenography, Penmanship and Letter Writing, Bookkeeping and Business, Literature and Journalism, Agriculture, Horticulture, Dairying and Animal Industry.

If you are interested in our line of work, write at once for one of our Catalogues, naming the department in which you are interested, and it will be sent free.

Columbian Correspondence College, WASHINGTON, D. C.

We know the Columbian Correspondence College, of Washington, D. C., to be a large and prosperous institution, conducted by honorable gentlemen, and bearing a good reputation.

Explanation of Abbreviations and Reference Marks

N—North. S—South. E—East. W—West. m—Miles. Ry or Rys—Railway or Railways.

County Seats in black type.
 * Money Order Post Office.
 † Telegraph Station.
 ‡ American Express.

⊕ Mexican National Express.
 + Pacific Express.
 □ United States Express.
 ± Wells, Fargo & Co.'s Express.

All counties, towns, cities, villages, etc., are indexed in the following manner:

(See map of Alabama.)

	Pop. 1900
Anniston , Calhoun, E-10, (Rys 37,	
74) *† ×	9695
Antioch, Lamar, <i>mail</i> Melborne.	
Aquilla, Choctaw, J-2	28

Anniston being in black type indicates that it is the county seat of Calhoun County; E-10 shows where it can be found on the map (see example below); (Rys 37, 74), that it is a station upon each of these railways, 37 and 74 (see list of railways, which are consecutively numbered and alphabetically arranged on map); *, that it is a money-order post office; †, that it is a telegraph station; ×, refers to the express company as shown above; 9695 is the population given according to the 1900 official census.

Antioch is in Lamar County, and mail for this place should be sent to Melborne post office.

The letters and figures following names (like E-10 above) refer to that point on the map at which lines drawn from marginal figures top and bottom, and letters upon either side of map, would cross each other at right angles.

For example, to find "New York City, D-5;" let the diagram below represent the map. New York is seen near the crossing of lines D—D and 5—5.

"THE FOUR-TRACK SERIES"

This is the title of a series of books of travel and education issued by the Passenger Department of the

New York Central & Hudson River Railroad.

These small books are filled with information regarding the best modes of travel, and the education that can best be obtained by travel, the whole world now agreeing with Lord Beaconsfield that "Travel is the great source of true wisdom."

They relate specifically to the great resorts of America—to trips to the islands of the sea and around the world—giving a mass of useful information regarding the time required for a journey, its cost, and other particulars not easily obtained elsewhere.

They also contain numerous illustrations and new and accurate maps of the country described, and will be sent free, postpaid, on receipt of the required amount in stamps.

A few of the more useful numbers of the "Four-Track Series" are:

- | | |
|---|----|
| No. 1—The Luxury of Modern Railway Travel - - - - - | 2c |
| No. 3—America's Summer Resorts - - - - - | 2c |
| No. 5—America's Winter Resorts - - - - - | 2c |
| No. 20—The Adirondack Mountains and How to Reach Them - - - - - | 2c |
| No. 26—American Railroads - - - - - | 2c |
| No. 28—A New Map of Asia and the Chinese Empire - - - - - | 5c |
| No. 31—Seen from the Car - - - - - | 4c |

The Illustrated Catalogue, a booklet of fifty-two pages, 4 x 8, giving a synopsis of each of the books now comprising the "Four-Track Series," as well as a small half-tone reproduction of each of ten beautiful etchings of scenery along the lines, will be sent free, postpaid, to any address in the world, on receipt of a 2-cent stamp, by George H. Daniels, General Passenger Agent, Grand Central Station, New York.
