We have tried sincerely to make ours the finest railway in the world. For your safety and your comfort we have spared neither expense, nor time, nor toil. We own and operate all our cars, even the sleeping cars. We train and hold responsible every man that serves you. As the climax of our sixty years of conscientious public service we have *electrified*, over hundreds of miles, that gorgeous section of our right of way across the Rocky and Cascade Mountains. The Master Key Idea

SOME men and women seem to attract success, power, wealth, health and attainment with very little conscious effort; others conquer with great difficulty, still others fail altogether to reach their ambitions, desires and ideals. Why is this so?

“The Master Key” will tell you why. No one can read it and not be a changed man or woman. None but who will emerge from its magic pages with a firmer grasp of the future—a surer understanding of what he can do.

“The Master Key” is a key with which many are converting loss into gain, fear into courage, despair into joy, hope into fruition.

Information concerning THE MASTER KEY will be sent to any address without cost or obligation of any kind, if you address

Charles F. Haanel, 209 Howard Bldg., St. Louis, Mo.

WESTERN CANADA For Big Wheat Crops

CANADA is the world's greatest producer of wheat—second only to the United States—yet only about 12% of the tillable area has been worked. Yields of 40 bushels of wheat per acre are not uncommon. Oats have given as high as 100 bushels per acre, while 40 to 50 bushels per acre are ordinary yields; barley and rye are in like proportion. Cattle and horses thrive on the native grasses which grow abundantly and corn and sunflower culture are highly successful.

Stock Raising, Dairying and Mixed Farming

secure for the industrious settler ample returns for his energy. Clearing the cost of one's farm with a single year's crop has an appeal, and has been done by hundreds of Western Canada farmers. Taxes only upon land (not on improvements). Perfect climate, attractive social conditions, good neighbors, churches, schools, telephones, excellent markets and shipping facilities make life happy as well as prosperous.
