PRINTING ..PRESS..

THE MIEHLE PRESS, in the best offices in the world, has changed the calculations of all printers in quantity and quality of work produced. No proprietor of a printing office can afford to buy a printing machine without first looking into the merits of the "MIEHLE".

New Sheet Delivery Combined.....

THE MIEHLE is at the front with both sheet and fly delivery. It has three minutes a pro-man can change from sheet delivered printed side up to fly printed side down, and vice versa. Mr. Miehle is the first to accomplish this. The sheet delivery adds but small cost to the press. We attach it when ordered.
